REFUND REQUEST UNDER 37 C.F.R. § 1.26

Commissioner for Patents

Alexandria, Virginia 22313-1450

Sir:

Applicant hereby respectfully requests a refund under 37 C.F.R. § 1.26 in accordance with 37 C.F.R. § 1.28. It has come to Applicants attention that a \$180 IDS fee was charged to Deposit Account No. 50-3478 in connection with the above-referenced matter. However, Applicants believe that no fee was required for the Information Disclosure Statement filed October 12, 2010.

The document disclosed in the Information Disclosure Statement was a communication from a foreign patent office that was issued in a counterpart application and mailed September 16, 2010. The mailing date of the communication was not more than three months prior to the filing date of the Information Disclosure Statement. The language needed to certify this information was included in the IDS filed October 12, 2010 but the Applicants inadvertently failed to check the box immediately in front of the statement.

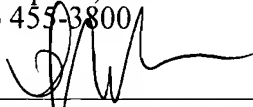

Accordingly, Applicants respectfully request a refund in the amount of \$180. If desired, the refund may be made via Deposit Account No. 50-3478. If there are any

questions concerning this communication, the Office is invited to contact Applicant's representative listed below.

Respectfully submitted,

HAMRE, SCHUMANN, MUELLER &
